

December 1, 2023

To Whom It May Concern:

Rodriguez Music Boosters is a registered non-profit organization that aims to support the students participating in the Rodriguez High School Entertainment Unit in Fairfield, California. All proceeds from our fundraising efforts support 100% of this program.

Our annual Crab Feed Dinner & Auction is scheduled for Saturday, February 17, 2024, at the Joe Nelson Community Center in Suisun, California. This is our largest fundraising event for the year, with all proceeds going toward supporting the Rodriguez High School Music Programs, including marching band, symphonic band, jazz band, color guard, drumline, and jazz choir. Our fundraisers help to fund uniforms, equipment, instruments, travel costs, and entrance fees for competitions.

Contributions to our crab feed dinner & auction in the form of auction, raffle items or monetary donations would be greatly appreciated. With your help, the RHS Music Boosters can continue to support these excellent music programs and provide a great experience for the music students.

As a "thank you" for your contribution and support of the RHS Music Boosters, we will happily include your business in our Donor & Sponsor Appreciation program at our event. In return, we will encourage our "music family" to support your business. We are a tax-deductible non-profit organization that needs the support of our community businesses. We would love to have donations by February 7th and can make any arrangements to pick up your donation.

Thank you for considering this request. We have included an Donation Form for your use if you choose to make a donation to our event. You can also email crabfeed@rhseu.org with any questions regarding donations for our auction or raffle.

Once again, thank you for your support of Rodriguez Music Boosters. If you have any questions about our event or Rodriguez Music Boosters, please feel free to contact me.

Sincerely,

William Imboden

President
