Rodriguez High School, Fairfield, California

November 16, 2024.

Dear Director, special arrangements have been made for Musical Images to come to the "Tournament of Champions" and photograph all participating bands.

\*Each Director will receive two (2) FREE Photographs 8"x12" of their band.

"Take advantage of the Group Order Discount"

Our services are provided to add to the dynamics of your festival and to create lasting memories for band members. Pictures will be taken in a manner that will not interfere with the days' activities, but we ask that you inform your members of this opportunity so that they can prepare for their photo and look their very best.

Two photos are taken of each group, one "formal" shot and one "fun" shot. The price is \$30.00 per photo, payable by check, cash or credit card. The photos will be printed and available for purchase right after they have been taken.
