

# Rodriguez Entertainment Unit

Good evening fellow Rodriguez Entertainment Unit Parents, Students, and Boosters! My name is Bill Imboden and I am the President of the Music Boosters for the 2020-2021 school year. It is my pleasure to welcome you all to a new and exciting year.

This year promises to be exciting, challenging, fun, and above all else, unique. As Mr. Miller described, there is so much we don't know yet about the make-up of the seasons and the competitions. As Mr. Miller and the District work together, the REU Music Boosters will be there to help support them anyway we can.

I have received questions about Fair Share amounts and payments. Due to the uncertainty of the schedule and the competition make up, it is impossible to accurately estimate the cost of the Fair Share for the various seasons at this time. Therefore, any Fair Share requirements will not be required until further notice. Once there is a plan in place, the Boosters will work with Mr. Miller to determine associated costs and come up with the Fair Share amount. Until then, look for the Boosters to be announcing potential fundraisers and announcements about ways to work off your student(s) fair share.

The Booster Club meets the Third Tuesday of every month at 6 PM. We are currently conducting our meetings via Zoom until personal gatherings are allowed and safe. Sign up for Remind 101, join our Facebook Page (RHSEU), or visit our website (<http://www.rhseu.org>) to follow our events and join in the fun.

We are looking forward to another great year of supporting our students and hope to see you all at the next meeting.
