

REU Disney Trip - 2022

April 11th-14th, 2022

Packing Instructions

Pre-travel reminders:

- You have 2 travel days and 2 other days to pack for. Please pack appropriately. Primary luggage (“carry-on” size) to be stored under bus; one backpack (or equivalent sized bag) to carry onto bus. You must be able to carry both pieces yourself.
- School dress code still applies.
- A sweatshirt or light coat for evenings. A small disposable rain poncho for your backpack is not a bad idea (or you may purchase a Disney one at any souvenir store in the parks \$\$\$).
- Spending money for meals not covered and/or for souvenirs. Keep in mind that souvenirs will need to be packed or held to bring them home.
- Something to read while traveling.
- Anything of value (i.e. phone, wireless headphones, cameras, Kindle, iPad, etc.) is your responsibility. If you must bring them, the hotel rooms have safes in them.
- Earphones for all electronics are to be used on the bus!
- Money for lunch or a Sack Lunch for the trip down. We will have some snacks on the buses and usually stop just before the grapevine to eat.
- Bathrooms on the buses are for emergencies only. Plan well and keep our buses smelling fresh!
