Subject: Comments and Suggestions for Improvement

Please take a moment to give us comments and suggestions for improvement on all aspects of the Winter Activities Event that you participated in today. Comments about the event will be shared with the people who sponsored the event. Comments are welcome regarding the event and are also welcome about today's judges. The Board of the NCBA will review excessive negative evaluations of a judge's performance and appropriate recommendations will be made. These recommendations may include retraining or revoking active status as a judge. All negative evaluations of a judge must include a copy of the judge's tape and/or score sheet. This form will NOT be given to individual judges. Your name and school will be kept confidential.
