

Dear Parents, Guardians, and Students:

Welcome to the Rodriguez *Entertainment Unit*. *The Entertainment Unit includes Marching Band, Color Guard, Drumline, Jazz Choir, Jazz Band, "L" Pattern, and Symphonic Band.* I am excited to begin my 17th year at Rodriguez High School – After seeing the progress of our students this first week of music camp, spending time with the band and having discussions with the leadership students, and our staff, I know we will have a very successful 2021/2022 school year.

The Fairfield Suisun Unified School District has always provided an excellent total music package for its students and families by offering experiences from wonderful teachers in the classroom, through middle and high school music programs. We are fortunate to have students sign up to further pursue and develop their musical skills and experiences. Over their time in the music program at Rodriguez High School, students become well-rounded and earn and maintain top GPAs and learn musical, personal, and life skills within this program.

All of us on staff and the REU Booster Board recognize and appreciate the support of the parents. This program is successful through the help of parent volunteers. We need your help for all four years by being present, assisting through active participation in fundraising, and booster participation. You will be able to see your child grow and succeed when you are involved. You will have fun and make lifelong friends through monthly involvement within the program. You can volunteer as much as you are able to, because any time is appreciated. [On the back of this page, you will find our important dates for the fall season.](#)

We welcome your children, you, and your family to the biggest team and family on campus, The Rodriguez Entertainment Unit!
