## Welcome to the RHSEU Family!

The Rodriguez High School Entertainment Unit requires a high level of discipline and dedication from its members whether in the classroom or on the parade ground as the band practices up to three times a week in preparation for events and parades striving for members to do their best.

Team work is vital for the smooth running of the unit, however, combined with this dedication and discipline we have fun! We are also fortunate and proud of the dedicated staff and parents in front and behind the band who are on hand to help, advise, support, and make the band the success it is today.

The Rodriguez Music Boosters are the main supporting group for the Fairfield, California, Rodriguez High School Entertainment Unit. It is comprised of parents of current and former band members.

## Fair Share, Fundraisers, BINGO and you...

Thank you for all those who have paid or have been keeping up with their fair share payments. It really does take a lot to run this program for the students.

The outside of school activities of the REU are largely funded by our Boosters as we get limited support from FSUSD. However, we understand that not everyone can meet these demands. There are bills to pay, more mouths to feed, and other programs to support as well! We appreciate any and all efforts made to contribute to our funds. That's why we also try to offer a variety of ways to help us reach our budget goals. REU Boosters try to pick the highest benefiting fundraisers to do throughout the year with a wide variety of options for you, family, and friends. For example we just concluded our Mattress Fundraiser which raised

*Music gives a soul to the universe,*

*wings to the mind,  
flight to the imagination  
and life to everything.*

Our website is the best place to get fast information about upcoming events for REU.

Examples of what you'll find:

- ✦ links to SignUp Genius for available volunteering opportunities. The REU does not succeed without the support of friends and family!
- ✦ detailed information about Competition Days as soon as it's available: call times, show schedules, parking information and more.

over \$6000.00 for REU. Our One Hope Wine Fundraiser which offers more than just wines raises funds for us while supporting different causes benefiting programs for Animals, Children, Women, Veterans, and more. And our current Fundraiser – Stella's Gourmet Cookies offers cookies, pretzels, and cheesecakes!

Also, there's always BINGO. Bingo is a huge part of our revenue when we meet our volunteer quotas. And it's a way you can earn credits towards your own child's fair share. Many a past students have had fair shares paid in full by parents, siblings, relatives, and friends who have come to work some shifts throughout the year. Please consider working even a few shifts a year. A small amount of your time can make a huge difference for everyone.

## *Into the Future and Beyond!*

The Boosters have also been hard at work at bringing REU into the 21<sup>st</sup> century. The website has gotten a huge overhaul as we continue to add all sorts of ways to keep parents/guardians and students connected with the goings-ons of the REU. Part of this includes some special content for your eyes only which will require you to log in. The students have been issued an RHSEU ID number that will be used for verification when you create an account. This will help to keep sensitive information, like your student's full name, out of the public eye. We also want to offer an exclusive forum where you can easily get in touch with other parents/guardians when there's need to coordinate something like a ride share for instance or perhaps just to chat about an event. We hope in the future to even have a way where you can check your fair share balance and pay any outstanding balances right at your fingertips. Please visit the website often to get familiar with it. We welcome constructive feedback that will assist us in creating a site you will find easy and enjoyable to use. Please don't hesitate to let us know at [webmaster@rhseu.org](mailto:webmaster@rhseu.org).
