

## 2019 – 2020 – Rodriguez Music Boosters - Scholarship Recipients

The Rodriguez High School Music Boosters offers Scholarships to senior students who have participated in the REU Marching Band and Advanced Choir programs based on available funds which dictates how many are scholarships are offered.

This year the Rodriguez High School Music Boosters were able to offer 6 scholarships valued at \$500 each.

There are specific criteria for the applying student to meet and paperwork for them to complete; including a personal essay. The packet is then prepared by removing the name of the student from all paperwork to create a blind scoring. A rubric is used to score the packet by 2 board readers and 2 independent readers, and finally the Band Director also has a rubric for scoring each of the packets.

This year the Rodriguez High School Music Boosters are proud to award scholarships to the following senior students:

**Collin Cox**

**Mariana Gonzales**

**Adrian Javier**

**Victoria Olsen**

**Jace Sears**

**Taylor Slight**

Please join us in congratulating these students on an amazing time spent with the REU and in wishing them continued success on future endeavors!
